Welcome Religious School families, new-coming and existing!

I am pleased to introduce myself to you as the incoming Religious School Education Director. Your children and families will get to know each other well, through the various activities I busily planned for us all throughout the summer.

I promise I have created some unique activities for us, including a self- defense class (by a 4th degree black belt!), and virtual tours to classrooms of children around the world. All these, of course, will be through a Jewish lens.

In addition, to our Sunday Religious School, Carmit Eliyahu and I have developed a one-of-a-kind modern Hebrew program, called Ulpan Shishi. Classes will run on Fridays, include dinners, crafts, technology, music, and more, all in Hebrew and in the spirit of Israel.

Before we start our year though, please find enclosed in this packet, applications for our programs, and return to us as soon as possible. A \$25 Starbucks gift card will be offered to the first family who joins any or both of our programs.

Wishing our children, families, and community a fruitful new year, filled with Jewishly meaningful experiences.

Shana Tova U'Poriya,

G K Rohs

My name is Carmit Eliyahu. I was born and raised in Israel, and came to the San Gabriel Valley 23 years ago. During my 23 years here, I have taught the children and adults of our community at temples and schools, with love for Israel and Hebrew.

Please find enclosed in this packet an application for our new, innovative program at Temple Beth David. I'm excited to direct, Ulpan Shishi, on Fridays at our temple. Your children will learn Hebrew in a creative, playful, Israeli cultured environment. I am thrilled to share my Israeli childhood experiences with your kids.

I can't wait to meet you all.

Yours v'b'Shalom,

Carmit Eliyahu
