

Job description for Ulpan Hebrew Teacher

Temple Beth David is the home of a Reform Jewish congregation that embraces Judaism's values and traditions. Our Religious School focuses on spiritual discovery, educational richness, community loving kindness, and personal responsibility. We welcome all Jews and interfaith families committed to living a Jewish life.

We are a diverse and caring community where students are inspired to develop a love of Judaism in its many forms. Guided by the values of kindness, holiness, justice, charity, and learning, our purpose is to nourish the hearts, souls, and minds of our students. Our educational programs and staff aspire to provide a foundation for students to comfortably participate in all aspects of Jewish life.

Train a child according to his way; even when he grows old, he will not turn away from it.

The class runs from 5.30-7.30pm on Fridays with additional and optional flexible hours. We are looking for a child loving, energetic, innovative candidate who will contribute to our class and Temple growth, also outside of class time.

The ideal candidate will be part of our community outside the core working hours, and project a social, friendly, welcoming and warm nature towards our congregation.
